

April 2025 Dragonfly Class Newsletter

Dear Parents,

This month we celebrate “Spring, and New Life” as we see flowers blooming and trees covered in green leaves. We celebrate Easter and will be having a class party on Tuesday, April 15th. A sign-up sheet for snacks will be posted in the hall. We will also take a look at some community helpers.

Last month, the kids planted marigold seeds. They are excited to see them grow. We put stacks of celery in a jar of colored water. The celery slowly changed color as it absorbed the water. We also made Irish Soda Bread, Cinnamon Waffles, and Butter Cookies.

Sincerely,
Miss Gwen
Ms. Trang
Ms. Nasta
